**Rebate Requirements**

**Eligibility**

You must be a PNM residential gas customer and thermostat or water heater wrap must be installed at the PNM residential gas account address. Rebate does not apply to new construction. Equipment purchases and installations made between 1/30/2006 and 12/31/2007 are eligible for rebates. Other information is available at [PNM.com/rebates](http://PNM.com/rebates).

**To Get Your Rebates**

1. Purchase the product.
2. Save your original cash register receipt.
3. Mail the completed rebate form, a copy of your PNM residential gas bill, and a copy of your original itemized receipt postmarked by 1/31/2008 to:

**PNM Rebate Program**  
**c/o EFI Rebate Processing Center**  
**40 Washington Street, Suite 2000**  
**Westborough MA 01581-1012**

Please keep a copy of your receipts and completed form for your records.

4. You will receive your rebates in 6-8 weeks. For questions regarding the status of your rebate application, please call 1-866-REBATES. Applications are subject to verification. Rebates are limited to the maximum number of each product stated on this form per PNM gas account, and the rebate amount cannot exceed the purchase amount shown on the receipt. **Incomplete information may delay or disqualify your rebate.**

**Quality Assurance Survey**

To help ensure program quality, you may be selected for a telephone survey or on-site inspection to verify installation.

**Disclaimer**

The PNM Energy Efficiency Program is subject to change or cancellation at any time and without notice. PNM makes no guarantees about the availability of products or rebate forms at Participating Retailers and Contractors. Participating Retailers and Contractors are not agents of PNM, and PNM makes no warranties or representations about the quality of products obtained or workmanship associated with any product installation performed by any Participating Retailer or Contractor. By participating in the Energy Efficiency Program, Customers agree to waive any claims and release PNM from any liability for damages, of any kind, relating to the quality of products obtained or workmanship associated with any product installation performed by any Participating Retailer or Contractor.
